The first part of the book is devoted to a general  
 description of the country, its climate, soil, and  
 productions. The author then proceeds to a  
 detailed account of the various tribes and  
 nations which inhabit the country, and  
 describes their manners, customs, and  
 mode of life. The second part of the book  
 contains a history of the country, and  
 a description of the various wars and  
 revolutions which have taken place in  
 it. The third part of the book is  
 devoted to a description of the  
 various cities and towns which are  
 situated in the country, and to a  
 description of the various arts and  
 manufactures which are carried on  
 in it. The fourth part of the book  
 contains a description of the various  
 rivers and lakes which are situated  
 in the country, and to a description  
 of the various mountains and hills  
 which are situated in it. The fifth  
 part of the book is devoted to a  
 description of the various islands  
 which are situated in the country, and  
 to a description of the various  
 harbours and bays which are situated  
 in it. The sixth part of the book  
 contains a description of the various  
 mountains and hills which are situated  
 in the country, and to a description  
 of the various rivers and lakes which  
 are situated in it. The seventh part  
 of the book is devoted to a  
 description of the various cities and  
 towns which are situated in the  
 country, and to a description of the  
 various arts and manufactures which  
 are carried on in it. The eighth part  
 of the book contains a description of  
 the various islands which are situated  
 in the country, and to a description  
 of the various harbours and bays  
 which are situated in it. The ninth  
 part of the book is devoted to a  
 description of the various mountains  
 and hills which are situated in the  
 country, and to a description of the  
 various rivers and lakes which are  
 situated in it. The tenth part of  
 the book contains a description of  
 the various cities and towns which  
 are situated in the country, and to  
 a description of the various arts and  
 manufactures which are carried on  
 in it.
