1. The first part of the book is a preface by the author, in which he explains the purpose of the work and the scope of the inquiry.

2. The second part of the book is a historical survey of the subject, tracing its development from the earliest times to the present day.

3. The third part of the book is a critical examination of the various theories and opinions which have been advanced on the subject.

4. The fourth part of the book is a collection of original researches and observations, which are intended to illustrate the principles and doctrines which have been discussed in the preceding parts.

5. The fifth part of the book is a summary of the results of the inquiry, and a statement of the author's conclusions on the various points which have been considered.

6. The sixth part of the book is a list of references, in which the author gives the titles and authors of the works which he has consulted in the course of his researches.

7. The seventh part of the book is an index, in which the author gives the page numbers of the various passages which are referred to in the text.

8. The eighth part of the book is a list of errata, in which the author gives the corrections of the various errors which have crept into the work.

1. The first part of the book is devoted to a general
introduction of the subject.

2. The second part contains a detailed account of the
history of the subject.

3. The third part is devoted to a critical examination
of the various theories.

4. The fourth part contains a summary of the
principles of the subject.

5. The fifth part is devoted to a discussion of the
practical applications.

6. The sixth part contains a list of references
and a bibliography.

7. The seventh part is devoted to a summary of the
conclusions.

8. The eighth part contains a list of names
and a table of contents.
