

卷之二

光緒廿五年

二十四卷

The first part of the book is a
 preface by the author, in which
 he explains the purpose of the
 work and the method of the
 investigation. The second part
 contains the main body of the
 text, which is divided into
 several chapters. The third part
 consists of a list of references
 and a list of names. The fourth
 part is a list of names. The
 fifth part is a list of names.

And the first thing that
I saw when I came
to the city was a
great church with
many windows
and a high tower
that reached to the
sky. The people
were all dressed
in fine clothes
and were very
kind to me. I
stayed in a house
for many days
and learned much
of their customs
and ways of life.

The church was
very beautiful
and the people
were very kind
to me. I stayed
in a house for
many days and
learned much
of their customs
and ways of life.

Handwritten text in a medieval script, possibly Gothic or similar. The text is arranged in several lines, with some words in red ink (rubrication). The script is dense and difficult to read due to the image quality.

Handwritten text in a medieval script, possibly Gothic or similar. The text is arranged in several lines, with some words in red ink (rubrication). The script is dense and difficult to read due to the image quality.

The first part of the book is a preface by the author, followed by a list of the contents. The text is written in a Gothic script and is arranged in two columns. The first column contains the preface, and the second column contains the list of contents. The list of contents is organized into several sections, each with a heading in red ink. The headings are: "De rebus", "De personis", "De locis", "De temporibus", "De rebus et personis", "De locis et temporibus", "De rebus et personis et locis", and "De rebus et personis et locis et temporibus". The text is written in a clear and legible hand, and the overall appearance is that of a well-preserved manuscript.

The second part of the book is a list of the contents, organized into several sections. The sections are: "De rebus", "De personis", "De locis", "De temporibus", "De rebus et personis", "De locis et temporibus", "De rebus et personis et locis", and "De rebus et personis et locis et temporibus". The text is written in a Gothic script and is arranged in two columns. The first column contains the list of contents, and the second column contains the preface. The headings are: "De rebus", "De personis", "De locis", "De temporibus", "De rebus et personis", "De locis et temporibus", "De rebus et personis et locis", and "De rebus et personis et locis et temporibus". The text is written in a clear and legible hand, and the overall appearance is that of a well-preserved manuscript.

The first part of the book
contains a list of the
names of the
persons who
were present at
the meeting of
the committee
on the 10th of
January 1850.

The second part
contains a list of
the names of the
persons who
were present at
the meeting of
the committee
on the 15th of
January 1850.

Appendix

The third part of the book
contains a list of the
names of the
persons who
were present at
the meeting of
the committee
on the 20th of
January 1850.
