The first thing I did was to
 go to the bank and see
 how much money I had
 left. I was surprised to
 find that I had more
 than I thought I had.
 I had saved up a good
 amount of money over
 the last few months.
 I was glad to see that
 my savings were growing.
 I had been able to
 keep my expenses under
 control and save a good
 amount of money.

The first of these is the fact that the
 world is not a uniform whole, but
 is divided into many different
 parts, each of which has its own
 characteristics and its own laws.
 This is the case with the human
 mind, which is not a single
 entity, but is composed of many
 different faculties, each of which
 has its own powers and its own
 limitations. It is this diversity
 of faculties that makes the human
 mind so remarkable, and so
 capable of so much.
