The first part of the book is devoted to a general
 introduction to the subject of the history of the
 world. It is divided into three parts: the first
 part is devoted to the history of the world
 from the beginning of time to the present
 day; the second part is devoted to the
 history of the world from the present day
 to the future; and the third part is devoted
 to the history of the world from the future
 to the end of time.

The first part of the book is devoted to a general introduction to the subject of the history of the world. It begins with a chapter on the origin of the world, and then proceeds to a chapter on the origin of man. The second part of the book is devoted to a detailed account of the history of the world, from the beginning of the world to the present time. It is divided into three main parts: the history of the world from the beginning to the time of the birth of Christ, the history of the world from the birth of Christ to the time of the Reformation, and the history of the world from the Reformation to the present time. The third part of the book is devoted to a detailed account of the history of the world, from the beginning of the world to the present time. It is divided into three main parts: the history of the world from the beginning to the time of the birth of Christ, the history of the world from the birth of Christ to the time of the Reformation, and the history of the world from the Reformation to the present time.
