1. The first part of the book
describes the history of
the region from the time of
the first settlers to the
present day. It covers
the period from 1600 to
1800, and is written in
a clear and concise style.
The author has done a
great deal of research, and
his work is a valuable
contribution to the history
of the region.

2. The second part of the
book deals with the
present day. It discusses
the various problems
facing the region, and
offers suggestions for
their solution. The author
is very realistic, and
his proposals are based
on a sound knowledge
of the region's resources
and capabilities. This
part of the book is
certainly worth reading.
It is a good example
of what can be done
when one has a clear
understanding of the
situation.

The first thing I did was to
 go to the bank and see
 how the money was
 getting on. I found
 that it was all right
 and that I had
 enough to get on
 for a while. I
 then went to the
 office and saw
 the manager. He
 told me that
 everything was
 going well and
 that I could
 go back to work
 in a few days.

I was very glad to

The first thing I did was to
 go to the bank and see
 how much money I had left
 after the expenses of the
 last week. I found that I
 had about five dollars left
 which was not much but
 I was glad to see it. I
 then went to the store and
 bought some things for
 the week. I bought some
 bread, some butter, and
 some meat. I also bought
 some fruit. I then went
 to the school and saw
 the children. They were
 all very happy to see
 me. I then went home
 and had a good dinner.

I then went to bed and
 had a good night's sleep.
 The next day I went to
 the bank again and saw
 the cashier. He told me
 that I had five dollars
 and fifty cents left. I
 was very glad to hear
 that. I then went to the
