Appendix

1. The first part of the report deals with the general situation of the country and the progress of the work during the year.

2. The second part contains the results of the various investigations.

3. The third part is devoted to a detailed description of the methods used in the different branches of the work.

4. The fourth part contains the results of the various investigations, arranged in the order in which they were carried out.

5. The fifth part contains the conclusions drawn from the results.

6. The sixth part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

7. The seventh part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

8. The eighth part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

1890	1891	1892	1893	1894	1895
100	100	100	100	100	100
100	100	100	100	100	100
100	100	100	100	100	100
100	100	100	100	100	100
100	100	100	100	100	100

9. The ninth part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

10. The tenth part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

11. The eleventh part contains the names of the persons who have assisted in the work, and the names of the institutions to which they are attached.

1. The first thing I noticed when I stepped  
 out of the plane was the fresh air. It felt like I  
 had been in a cocoon for hours. The sun was  
 shining brightly, and the birds were chirping  
 happily. I took a deep breath and felt  
 a sense of peace wash over me. I had  
 finally reached my destination.
