The first part of the book is devoted to a general history of the United States, from the discovery of the continent to the present time. It is divided into three volumes, each containing a different period of the country's history. The first volume covers the period from the discovery of the continent to the end of the American Revolution. The second volume covers the period from the end of the American Revolution to the beginning of the Civil War. The third volume covers the period from the beginning of the Civil War to the present time.

The first thing I noticed when I stepped
 out of the train was a sense of relief.
 After a long journey, I was finally
 home. The air was fresh, and the
 people were friendly. I had heard
 that the city was beautiful, and
 now I knew it was true.
